

*Keeping the tradition alive*

## Individual Score Sheet

Driver Number: \_\_\_\_\_ Driver Name: \_\_\_\_\_

### Turnout Inspection

Using the "Turnout Inspection Score Sheet," enter this driver's Turnout points in the first box. Divide by the number of judges to get the total points for the Turnout Inspection.

| Turnout Score        |   | # of Judges          |   | Turnout Total        |
|----------------------|---|----------------------|---|----------------------|
| <input type="text"/> | ÷ | <input type="text"/> | = | <input type="text"/> |

### Country Drive

Using the "Country Drive Score Sheet," enter this driver's Country Drive points in the second box. Subtract this number from 25 to get the total points for the Country Drive.

|    |   | Country Drive Points |   | Country Drive Total  |
|----|---|----------------------|---|----------------------|
| 25 | - | <input type="text"/> | = | <input type="text"/> |

### Cones Course

Using the "Cones Course Score Sheet," enter this driver's Cones Course points in the second box. Subtract this number from 25 to get the total points for the Cones Course.

|    |   | Cones Points         |   | Cones Total          |
|----|---|----------------------|---|----------------------|
| 25 | - | <input type="text"/> | = | <input type="text"/> |

### Sporting Day of Traditional Driving Score:

Add the three point totals in the far column to get the total number of points for this driver's Sporting Day.

**TOTAL**
