

2016 CAA Carriage Festival

July 1-3 at the Kentucky Horse Park in Lexington

2016 CAA Carriage Festival • General Information

The CAA Carriage Festival is **more** than just a driving horse show. It is a celebration of all things related to horse-drawn carriages from the pleasure-driving show and the annual Carriage Showcase, to the trade fair, educational talks and demos, and social activities with fellow CAA members and carriage aficionados. There is something for everyone during the three days of activities located in and around the (indoor and air-conditioned!) Alltech Arena at the Kentucky Horse Park in Lexington.

Carriage Showcase

The annual Carriage Showcase competition is a great place to show off your vehicles or to view some spectacular ones, plus learn a thing or two!

Social Activities

We want everyone to enjoy themselves meeting new and old friends, and you are invited to participate in the welcome reception, the barbecue dinner on Friday evening (tickets available), and the popular barn party.

Talks and Demos

Educational talks and demos will take place over the weekend on a variety of subjects, including harness, carriage art, pony vehicles, tips for showing, and so much more.

Trade Fair

Vendors will be set up on the mezzanine in the Alltech Arena.

Pleasure-driving Show

A variety of driving classes will be presented on Friday and Saturday, ranging from single ponies to coaches and everything in between! Come watch and delight in the spectacle. (If you are interested in showing, please visit www.CarriageFestival.com to request that a copy of the prize list be mailed to you.)

Driving at Will

Come stable with us in Barns 22, 23, and 24, near the Alltech Arena. You can then drive around the Park at will.

The Kentucky Horse Park

Ready to experience the top Lexington attractions for kids and adults alike? The Kentucky Horse Park has so much to offer. You can meet Thoroughbred legends at the Hall of Champions, see interesting breeds at the Breeds Barn Show, or head out for a walking barn tour to meet the Park's police horses, see the blacksmith facility, and explore a Kids' Barn with stories and activities perfect for young visitors.

Visit the Kentucky Horse Park's museums for a comprehensive look at horse history and culture around the world — there's nothing else like it! Celebrate history's greatest horses at the memorials and statues located around the park. Or take a horseback-riding tour of the grounds to capture the true essence of the Kentucky Horse Park.

The 2016 CAA Carriage Showcase . . .

an adjudicated evaluation of vehicles preserved, restored, or newly built, following traditional styles.

The competition will take place on Friday, July 1, 2016.

Classes Offered in the Carriage Showcase:

1. Restored: Amateur
2. Restored: Professional
3. Original / Preserved
4. New Vehicles
5. Miniature Reproductions
- 6a. Vehicles in Use – Restored (30 years and older)
- 6b. Vehicles in Use – New (less than 30 years old)
7. Photo Showcase

Carriage Showcase Awards:

- Gold, Silver, and Bronze Certificates
- The Carl Casper Trophy
(awarded to the highest-scoring restored vehicle)
- The Sidney Latham Memorial Trophy
(awarded to the highest-scoring restored in-use vehicle)
- The Ken Sowles Memorial Trophy (People's Choice)
- The Davis Documentation Award (best-documented vehicle)

Restored: The object of the Showcase is to evaluate the quality and authenticity of the restoration done on the vehicles. The judges' decisions will take into account the paintwork, including the suitability of the color scheme; the trimming; and the quality of the work. The trim (cushions, squabs, carpet, top, and lining), as well as the accessories (dash, fenders, whip socket, lamps, stick basket, etc.) shall also be judged for quality and appropriateness.

Amateur: To qualify for the amateur class, all of the painting must be the work of an amateur. Professional striping and trimming work will be allowed.

Miniature Reproductions: Modeled reproductions of original vehicles that are functional but not large enough for animal use.

Vehicles in Use: Used (driven) since they were restored, conserved, or newly built. These vehicles give viewers an opportunity to see the effects of use on materials and finishes, the durability of repairs that may have been made, and might provide some guidance and feedback to restorers and owners considering restorations. Vehicles previously entered in the Restored class and driven since then are eligible for this class.

Conditions and Rules:

1. All of the vehicles in the classes will be judged using a numbered scoring system. A determined point value will be used to award a certificate of quality for each vehicle in gold, silver, or bronze. Any vehicle falling below this point determination will receive a certificate of appreciation.
2. Vehicles that have been entered in previous CAA Carriage Showcase competitions may be entered to receive certification. These vehicles are not eligible for overall awards, unless at least 20% of the vehicle has been modified since its last competition. (*Exception: See "Vehicles in Use" above.*)
3. This is not an appointments class. Whips, aprons, umbrellas, etc. are not judged. The vehicle needs to be in a state to hitch and use. This would include the pole, shafts, neck yoke, lead bars, spare bars, etc. If the vehicle had lamps, umbrellas, parasols, basket, clock, food and beverage chests, etc., these should be included.
4. Any records or original photos of restored vehicles should be displayed to help the judges and for the interest of the public at large.
5. The Showcase will be held on the mezzanine in the Alltech Arena.
6. Awards and judges' commentary will be presented at noon on Saturday, July 2, 2016.

Only one vehicle per entry form! If you are entering more than one vehicle, please submit a separate entry form for each one.
